

HAPPY NEW YEAR 2022!

- Since this is our first market report of 2022, we would like to take this opportunity to convey to you, your families and colleagues our very best wishes for a Happy, Healthy and Prosperous New Year.
- As we also await the advent of the Year of the Tiger, we can only hope that the year ahead provides us with more opportunities to connect on both a personal and professional level.
- It is now more than six years since our inception and we would like to place on record our thanks to all those whose generous support has provided us with a platform to continue to grow; we very much look forward to strengthening existing relationships and forging new friendships in the months ahead.

Best wishes
